

Siren Hoops

Professional hoops for fitness, dance & fun!

Sirenhoops make hand-crafted hoops that are perfectly balanced, functional and beautiful. The size and weight make them easier to keep in

motion. Grip tape gives them better 'stick' to your body than slippery plastic, while sparkle tapes add zing! For adults who are newer to hooping, we

suggest a 42" diameter hoop that weighs 1.7lbs. Childrens, minis, twins, performance and collapsible hoops are also available.

Sirenhoops come in 3 basic styles and price points. Get inspired with these examples of Sirenhoops hoops!
